

BOATHOUSE AT COOPER RIVER

Making It Better, Together.

Boathouse Etiquette

Striving for excellence on and off the water

How To Store My Rowing Machine

- 12 rowing machines
- 3 single file columns
- Line rowing fan on black tape
- Smaller areas, follow tape line as directed

Boats, Slings and Riggers

- Make sure all shells and boats are on the assigned rack
- All oars, slings, and step stools are re-racked and hung after use
 - Use wall racks for additional riggers and storage

Return Dock and Gooselines

- Dock for returning crews only
- Replace goose lines after use
- Do not remove red goose line
- Poles attach directly to dock

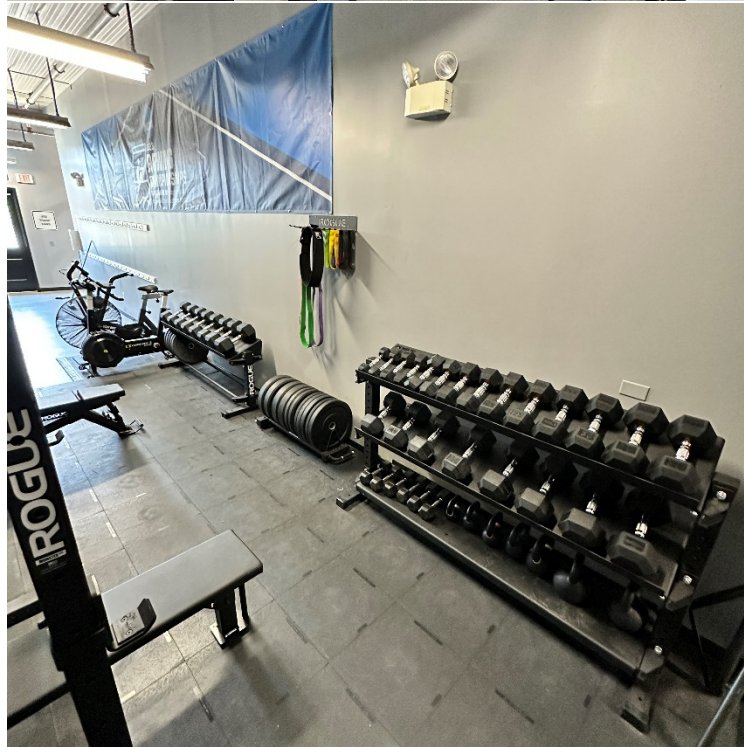

Launch Dock and Goose lines

- Dock for launching crews only
- Do not drop goose lines in water
 - Replace goose lines after use
- Use purple holes for goose line
 - Do not remove red goose line
